

WELCOME

Whether you are a new or existing patient, we would like to thank you for choosing our practice. At the Blackheath Eyecare Centre we provide high-quality services in a friendly environment. We are committed to continuing education and keeping abreast of the changes in modern eyecare.

We are delighted to offer the Eyecare Plan – our own membership scheme, which enables us to provide you with the extra care and support necessary to look after the health of your eyes.

HOW DOES OUR MEMBERSHIP SCHEME WORK?

The Eyecare Plan lets you spread the cost of your eyecare and contact lenses, over the year through monthly payments.

Regular consultations with our optometrists are an essential part of maintaining eye health. We will give you a full eye examination once a year, and provide regular aftercare to check your contact lenses are performing well and ensure your eyes remain healthy.

The cost of these routine appointments will be covered by the monthly payment. Your monthly fee will also cover any emergency appointments.

With the added convenience of Direct Debits, there is no better way to pay for your continuous eyecare and contact lenses. Making sure you are always wearing the most comfortable lenses is important, so we will ensure you are the first to hear about any new product innovations that may be suitable.

As a member of the Eyecare Plan, you'll find that buying your lenses and solutions from us will be more affordable than before. You can choose to receive a regular supply or simply call us when you need more.

SAVE ON SPECTACLES AND SUNGLASSES

It is important that your spectacles are up-to-date, whether as an alternative option or a back-up for emergencies. As a member of the Plan, you'll qualify for 25% discount on our standard prices.

When you add it all up, it makes sense to be part of the Eyecare Plan.

“So much more value for money”

Please call in at the practice where an Agreement will be completed. This will require your signature and bank account details for the Direct Debit mandate. Direct Debits are collected from your bank account on the 1st of every month. If you have any questions, please ask any member of staff.
